Flower Power

Flowers bloom in pretty colors providing beauty in our garden. We will learn why these flowers are important to all visitors of the garden.

Wednesday, July 9th 1:30-2:30 PM

Ladybug, Ladybug

Ladybugs are great friends of the garden. Learn how they get rid of bugs that eat flowers and ways we can make the garden their home.

Wednesday, July 23rd 1:30-2:30 PM

Happy Hummingbirds

Learn about one of the smallest and fastest birds around. Discover what they like to eat, where they live and what makes them so fast.

Wednesday, August 6th 1:30-2:30 PM

Plant Medicine

Plants and flowers can make us feel better. We will mix and make recipes using plants for foods that are yummy and will help our tummies!

Wednesday, August 27th 1:30-2:30 PM

Web of Life

Small things, tall things. Fuzzy things, scaly things. Plants and animals. Everything in nature is connected, join us we discover the web of life!

FAMILY PROGRAM

Saturday, July 12, 7:00 PM

Gilbert Bryon Day

Happy birthday, Mr. Byron! Share your memories of Gilbert Byron or listen to others' reminiscences of the "Voice of the Chesapeake." Learn about the status of the house restoration (and beyond) and how you can help with the project! We'll have cake, birthday goodies, and in keeping with the original landscaping, an oak tree to plant! *This event is co-sponsored by the Gilbert Byron Society.*

VOLUNTEER OPPORTUNITIES

Thursdays from June 26-August 28, 10:00 AM-12:00 PM

Dog Days Workdays

Mother Nature keeps us busy during the summer, and we'll return the favor to you! Enjoy a weekly two-hour workout while spending time outdoors and learning more about the natural world. Service projects vary each week and may include trail maintenance, oyster spat cleaning, and painting. Dog Days are great for families, students who need service learning hours, volunteer groups, and new and old volunteers!

Sunday, September 21, 10:00 AM-3:00 PM

National Public Lands Workday

Join us on the last day of summer as we blaze a path towards the autumn, the school groups, and our biggest event of the year, Harvest Hoedown! National Public Lands Workday celebrates the spirit of the Civilian Conservation Corps, the powerful action of a team, and the lands that are free and open to the public—like Pickering Creek! We'll provide a locally grown lunch, along with work gloves, camaraderie, and service projects. Keep an eye on the website for more details about these events and other volunteer opportunities.
